INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Elizabeth and Richard, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Elizabeth and Richard, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Elizabeth, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Elizabeth, your Life Path is 17/8

Elizabeth, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is

required.

Elizabeth, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Elizabeth, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

Richard, your Life Path is 20/2

The key word in your nature is peacemaker. Richard, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are

both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment.

You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

However, your sensitivity can also be your downfall. Richard, your extremely delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger.

Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated and your accomplishments overlooked. Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment. Richard, you have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Your Life Path's compatibility is 8 and 2

Elizabeth and Richard, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

Richard is drawn to Elizabeth in part because Elizabeth has great inner strength and the kind of personal power that reveals the possibility of worldly success. Capable and goal-oriented, Elizabeth is a force to be reckoned with. Elizabeth is attracted to Richard largely because Elizabeth recognizes in Richard an emotional and spiritual wealth that may well have remained, at least to some extent, dormant in the life of Elizabeth. Richard lives and experiences life on many levels. Richard knows the heart and the power of emotions. When brought together, the two and the eight's individual innate qualities can produce quite a balanced relationship.

This is a combination with potential to survive for years and years. However, an important detail you both must be attentive to, is that the relation between a two and an eight is often based on illusions, and when such illusions fall apart, the relationship may crash.

The two sees strength, and thinks it will always be there. The eight sees romance and the subtle powers of the heart, and thinks it will last forever. Neither does, of course. Strength eventually dissipates. The heart slowly loses interest. However, that does not mean this relationship doesn't stand a chance. It certainly does. And the key to make it a pleasant, long lasting relationship is to recognize each other for what you are, beyond the obvious. Richard must learn to love not only Elizabeth's strength and capabilities but also Elizabeth's weaknesses. It is important that Richard can love Elizabeth as a whole human being. And Elizabeth, in turn, must learn to love not only the romantic presence, the passion of the heart Elizabeth craves in Richard, but Richard as a whole human being. Few combinations tend to give birth to relationships based on illusions as often as do the two and the eight. But Richard and Elizabeth, don't forget that this is just one aspect of the chart. You both have many other qualities to be brought to the surface, exercised and explored to your mutual benefit. Just keep that in mind, unite your respective strengths and move on to turn yours into a most pleasant, rewarding and long lasting relationship.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number

reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Elizabeth, your Expression is 11/2

Elizabeth, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Elizabeth, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from

fantasy.

Elizabeth, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

Richard, your Expression is 8

Richard, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Richard, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are

able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Richard, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest

Your Expression's compatibility is 2 and 8

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict

earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Elizabeth and Richard, as you may have noticed, the numbers that define the compatibility of your Expression are identical to the numbers found under your Life Path's compatibility - with the important difference that in this part of the chart, Elizabeth has Richard's number and Richard has Elizabeth's number.

What this means, is that the qualities described in the section under Life Path apply here too, but the attributes recognized as belonging to Elizabeth now also fit Richard and vice versa. And in equal measures. This is somewhat uncommon and the result is difficult, if not impossible, to predict. To use an analogy, you might say that the Life Path reveals that Elizabeth brings blue into the relationship, and Richard adds yellow. The result is green. At the same time, the Expression shows that in this part of the chart Richard contributes the blue and Elizabeth adds yellow. Again, the end product is green. Now you have twice the green, with each of you bringing in similar attributes in equal amounts.

Read the compatibility section under the Life Path again, but this time replace Elizabeth with Richard and Richard with Elizabeth. In addition, all the qualities and traits, positive as well as negative, described in the compatibility section of the Life Path should be given considerably more weight.

When two people have a "reversed recurrence" of numbers, such as appears in your compatibility chart, Elizabeth and Richard, the effect tends to be either very good or very bad. There is no middle ground. All the qualities are intensified; the positive as well as the negative. Keys to maintaining a positive relationship therefore are your ability to compromise and to be tactful at all times. And most importantly, to avoid stressful confrontations through awareness and sensitivity.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general

direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Elizabeth and Richard, your Heart's Desire is 15/6

Elizabeth and Richard, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Elizabeth, your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Elizabeth, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Elizabeth, your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a

beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

Your Heart's Desire's compatibility is 6

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Elizabeth and Richard, as a rule of thumb, relationships fare better when the core numbers found in the same location in a chart are not the same. An exception to this rule of thumb is the six, considered the most harmonious of all, the most loving and committed of all numbers, and rightly so!

Elizabeth and Richard, you both commit strongly to a romantic relationship. There is nothing you want more than to make the other person happy, to take care of and comfort your partner. You are dedicated to the point of being willing to sacrifice much of your own needs and desires towards this commitment. You love kids, family, friends, and your local community. Your need to distribute love and comfort is such that, most probably, you will both get involved in something related to healing, teaching, counseling, or the arts.

Elizabeth and Richard, you must keep in mind that other numbers also play an important role in your relationship. However, even if some of those numbers are considered incompatible and bring in any negative influences, such influences will be at least in part diluted by the strongly compatible relationship found in this aspect of your charts.

There are instances, though, when the energy of the six may become overbearing, causing the relationship to shift from committed to co-dependent. This may happen, Elizabeth and Richard, if you allow your extremely protective feelings towards each other to cloud your judgment. Therefore, it is important that you maintain your individuality and your ability to find happiness and contentment in your own life without depending on your partner or anyone else. Jealousy is another possible danger you should guard against. The same protective feelings mentioned earlier, if out of control, can make one possessive, giving rise to jealousy and distrust; two human traits that have caused so much harm among people who, under normal circumstances, have no reason to experience such negative thoughts and feelings. Therefore, if you catch yourself doubting your partner's faith with no real cause, step back and look at the situation as objective as possible.

Elizabeth and Richard, the six found in this part of your chart is a powerful asset to the relationship. It is a number that brings harmony and love to all other

numbers. Make good use of this blessing and you will live a beautiful romance while distributing love and care not only to your own family but to your friends and community as well.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Elizabeth, your Personality is 14/5

Elizabeth, you are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Elizabeth, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You

are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Elizabeth, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

Richard, your Personality is 11/2

Richard, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Richard, your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Make an effort to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

The opposite sex is attracted to your gentle and attentive nature, yet senses the passion beneath your surface. You have sex appeal.

Exercise is important to your appearance and to promote the level of strength you radiate.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved.

You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

Richard, you are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement.

Your Personality's compatibility is 5 and 2

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Richard and Elizabeth, this aspect of the chart requires some special attention since, as a rule of thumb, the two and the five found in the same part of the chart make for short-lived relationships. They simply do not understand each other. In fact, they do not really like each other.

The fact that you have a relationship means that other numbers are making up for the usual discordance that prevails between these two numbers. However, it is important to emphasize that the two and the five are only disharmonious when they are found in the same location in the chart. This disharmony does not exist when they are not in the same location. For example, a 2 Life Path can be quite harmonious with a 5 Heart's Desire.

That being said, we should concentrate on where the discordance comes from and how it can be deflected and rendered harmless.

To do that, let's think of Richard as water and Elizabeth as fire. In a controlled environment, each of them has a purpose that can be used to benefit the other. But, when they occupy the same space, one is going to destroy the other. The fire makes the water evaporate, or the water will kill the fire.

The lesson here is simple. Don't get in each other's way.

Yours can be a strong, lifelong relationship, if you are both willing to accept the other person as is. So, don't ever try to change your partner in any way and make every effort to lead your respective lives in as independent environments as possible so that your individual purposes can be beneficial and advantageous to the other.

Richard understands and respects the world of emotions, feelings, and intuitions and is fully aware of the fact that those are, in a very real sense, the bottom line. This is where life pays its dividends. No matter what else is happening in your life, payment comes in "how you feel", your happiness, your contentment as a human being.

Elizabeth relates to the world of dynamic action, impulsive decisions, and risky adventures. Keeping in perspective that this is only one aspect of the chart, Elizabeth thrives on energies causing motion, causing changes, causing excitement. And Elizabeth will not be slowed down by something as banal as being careful, or by the possibility that someone might not be comfortable with the kind of turmoil Elizabeth generates.

Richard and Elizabeth, do not forget that other numbers play in your relationship. Therefore, this particular aspect of the chart can be largely offset if you succeed in maintaining some distance, a fairly practical separation of lifestyle and environment. You must keep in mind that your combination of numbers requires that your relationship be one of sharing and caring -- as in a community setting, a

community of two -- rather than a relationship where everything is merged and experienced together.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Elizabeth, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Your Personal Year's compatibility for 2009 is 4 and 5

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Elizabeth and Richard, this is a time during which you are under very different

influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time. The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Elizabeth, your Personal Year for 2010 is 5

This is a year of dynamic change, Elizabeth. Many surprises will come your way. Be open and ready to embrace new opportunities.

Richard, your Personal Year for 2010 is 6

This is a year of progress and financial advancement, Richard. Major career

opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

Richard, you must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year's compatibility for 2010 is 5 and 6

Elizabeth is in a cycle of change and highly charged energy. Richard is in a cycle of stability and responsibility. Elizabeth's energy is restless and dynamic, Richard's energy is focused and grounded. Elizabeth is looking around for opportunity and adventure. Richard is looking at the home and the family. Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single

front to the outside world.

Elizabeth, your Personal Year for 2011 is 6

This is a year of progress and financial advancement, Elizabeth. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Richard, your Personal Year for 2011 is 7

Richard, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. To much concern and desire for material rewards, Richard, will turn this period of your life into a very bad experience indeed, while a

"let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Your Personal Year's compatibility for 2011 is 6 and 7

Elizabeth and Richard, you are experiencing very different cycles. On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

PERSONAL MONTHS

Elizabeth, your Personal Month for July 2009 is 2

Elizabeth, July is a 2 Personal Month in a 4 Personal Year. At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future.

You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Elizabeth, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented but should be kept out of the work environment, which may not be an easy thing to do.

You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very

therapeutic.

Pamper yourself in healthful ways, such as massage, a new exercise and dietary regime, or some time near the ocean, in the mountains, in the forest.

Richard, your Personal Month for July 2009 is 3

Richard, July is a 3 Personal Month in a 5 Personal Year. Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income.

This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it.

A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Richard, your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too serious, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Your Personal Month's compatibility for July 2009 is 2 and 3

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Elizabeth, your Personal Month for August 2009 is 3

Elizabeth, August is a 3 Personal Month in a 4 Personal Year and is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off.

You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application.

You are original in your approach to problem-solving. You receive inspiring ideas and are able to turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights.

You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming a fear. Elizabeth, you may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Richard, your Personal Month for August 2009 is 4

Richard, August is a 4 Personal Month in a 5 Personal Year. Your career may be demanding and a bit frustrating. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This month could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

Your Personal Month's compatibility for August 2009 is 3 and 4

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Elizabeth, your Personal Month for September 2009 is 4

Elizabeth, September is a 4 Personal Month in a 4 Personal Year. Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success.

However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasis is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. Elizabeth, you would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes.

Late this month, you will start to see the light at the end of the tunnel, but looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both, your work and your personal life.

Richard, your Personal Month for September 2009 is 5

Richard, September is a 5 Personal Month in a 5 Personal Year. The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll.

If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. Richard, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or

physician.

Your Personal Month's compatibility for September 2009 is 4 and 5

Elizabeth and Richard, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Elizabeth, your Personal Month for October 2009 is 5

Elizabeth, October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

Richard, your Personal Month for October 2009 is 6

Richard, October is a 6 Personal Month in a 5 Personal Year. It brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion.

This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your well being this month.

If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible.

If you already have a relationship, this is the time to commit. All affairs of the

heart are positively highlighted. Health problems will also take a turn for the better.

Your Personal Month's compatibility for October 2009 is 5 and 6

Elizabeth is in a cycle of change and highly charged energy. Richard is in a cycle of stability and responsibility. Elizabeth's energy is restless and dynamic, Richard's energy is focused and grounded. Elizabeth is looking around for opportunity and adventure. Richard is looking at the home and the family. Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Elizabeth, your Personal Month for November 2009 is 6

Elizabeth, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Elizabeth, your friends and family members display strong signs of loyalty and feelings are expressed more

freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Richard, your Personal Month for November 2009 is 7

Richard, November is a 7 Personal Month in a 5 Personal Year and directs the focus to your inner self. Some people experience this month as lonely but it doesn't have to be.

You will be inspired to refine your understanding of your place in the universe. Spiritual growth will be of priElizabeth interest to you now.

Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think.

You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

Your Personal Month's compatibility for November 2009 is 6 and 7

Elizabeth and Richard, you are experiencing very different cycles. On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching

and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

Elizabeth, your Personal Month for December 2009 is 7

Elizabeth, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

Richard, your Personal Month for December 2009 is 8

Richard, December is an 8 Personal Month in a 5 Personal Year and will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion.

This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love. You will be more attractive than usual to members of the opposite sex.

Your Personal Month's compatibility for December 2009 is 7 and 8

Elizabeth, during this time you may feel left behind, perhaps forgotten and

ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Richard is out there, full of plans and visions, while Elizabeth is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Elizabeth, your Personal Month for January 2010 is 6

Elizabeth, January is a 6 Personal Month in a 5 Personal Year. All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm-hearted and more outgoing than usual. Others are attracted to your optimistic disposition and several people close to you will come to you for advice and comfort.

The month may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial.

On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own.

Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

Elizabeth, you may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Richard, your Personal Month for January 2010 is 7

Richard, January is a 7 Personal Month in a 6 Personal Year and brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet.

If you are involved in legal affairs or have wanted to take care of something that

involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally and you could be a little self-righteous. Try to be more flexible.

Your Personal Month's compatibility for January 2010 is 6 and 7

Elizabeth and Richard, you are experiencing very different cycles. On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

Elizabeth, your Personal Month for February 2010 is 7

Elizabeth, February is a 7 Personal Month in a 5 Personal Year and finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and

discuss future endeavors than to put forth the effort required to take full advantage of current opportunities.

Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority.

Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Richard, your Personal Month for February 2010 is 8

Richard, February is an 8 Personal Month in a 6 Personal Year and may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Your Personal Month's compatibility for February 2010 is 7 and 8

Elizabeth, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Richard is out there, full of plans and visions, while Elizabeth is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Elizabeth, your Personal Month for March 2010 is 8

Elizabeth, March is an 8 Personal Month in a 5 Personal Year. It is a time to be careful in all financial matters. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require opposite approaches this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas.

Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

Richard, your Personal Month for March 2010 is 9

Richard, March is a 9 Personal Month in a 6 Personal Year and is often emotional because you may have to let go of someone close to you.

You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Your Personal Month's compatibility for March 2010 is 8 and 9

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is:

focus on your career, be aggressive in the pursuit of your success. For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Elizabeth, your Personal Month for April 2010 is 9

Elizabeth, April is a 9 Personal Month in a 5 Personal Year. It brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions.

There are indications of up-coming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may have a tendency to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Richard, your Personal Month for April 2010 is 1

Richard, April is a 1 Personal Month in a 6 Personal Year and brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships

either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life.

Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9 year cycle.

Your Personal Month's compatibility for April 2010 is 9 and 1

Once every nine years, Richard and Elizabeth, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Elizabeth, exactly when Richard is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Richard, the most important piece of advice is to give Elizabeth plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Elizabeth is overly emotional. For Elizabeth, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional. Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Elizabeth, your Personal Month for May 2010 is 1

Elizabeth, May is a 1 Personal Month in a 5 Personal Year. It brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals.

Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and

attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate, but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Richard, your Personal Month for May 2010 is 2

Richard, May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month and you will be called upon to use those abilities. You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other.

You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month. If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Your Personal Month's compatibility for May 2010 is 1 and 2

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other.

Elizabeth will be the engine of change and progress, while Richard will steer and redirect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact that Richard is a bit more demanding than usual.

Elizabeth, your Personal Month for June 2010 is 2

Elizabeth, June is a 2 Personal Month in a 5 Personal Year and it enhances your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks.

There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Elizabeth, your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or....cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

Richard, your Personal Month for June 2010 is 3

Richard, June is a 3 Personal Month in a 6 Personal Year and an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Your Personal Month's compatibility for June 2010 is 2 and 3

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Elizabeth, your Personal Month for July 2010 is 3

Elizabeth, July is a 3 Personal Month in a 5 Personal Year. Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income.

This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it.

A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Elizabeth, your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too serious, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Richard, your Personal Month for July 2010 is 4

Richard, July is a 4 Personal Month in a 6 Personal Year and it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or

starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed and commitments made.

Your Personal Month's compatibility for July 2010 is 3 and 4

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Elizabeth, your Personal Month for August 2010 is 4

Elizabeth, August is a 4 Personal Month in a 5 Personal Year. Your career may be demanding and a bit frustrating. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This month could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all

of those around you with your sense of duty and trustworthiness.

Richard, your Personal Month for August 2010 is 5

Richard, August is a 5 Personal Month in a 6 Personal Year and brings some changes in work and your personal life. It is a dynamic time and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence.

If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Richard, your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Your Personal Month's compatibility for August 2010 is 4 and 5

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time. The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Elizabeth, your Personal Month for September 2010 is 5

Elizabeth, September is a 5 Personal Month in a 5 Personal Year. The hectic

pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll.

If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. Elizabeth, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Richard, your Personal Month for September 2010 is 6

Richard, September is a 6 Personal Month in a 6 Personal Year and forces you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground.

Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Your Personal Month's compatibility for September 2010 is 5 and 6

Elizabeth and Richard, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the

compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Elizabeth, your Personal Month for October 2010 is 6

Elizabeth, October is a 6 Personal Month in a 5 Personal Year. It brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion.

This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your well being this month.

If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible.

If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

Richard, your Personal Month for October 2010 is 7

Richard, October is a 7 Personal Month in a 6 Personal Year. Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Your Personal Month's compatibility for October 2010 is 6 and 7

Elizabeth and Richard, you are experiencing very different cycles.

On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet.

A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered.

Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

Elizabeth, your Personal Month for November 2010 is 7

Elizabeth, November is a 7 Personal Month in a 5 Personal Year and directs the focus to your inner self. Some people experience this month as lonely but it doesn't have to be.

You will be inspired to refine your understanding of your place in the universe. Spiritual growth will be of priRichard interest to you now.

Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think.

You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

Richard, your Personal Month for November 2010 is 8

Richard, November is an 8 Personal Month in a 6 Personal Year and is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs. As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are

both possible. If you have put out sincere effort, the reward will be there. However, for some people, this month may bring bad news.

This is a good time to straighten out financial dealings you may have with friends or relatives as well.

This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Your Personal Month's compatibility for November 2010 is 7 and 8

Elizabeth, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Richard is out there, full of plans and visions, while Elizabeth is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Elizabeth, your Personal Month for December 2010 is 8

Elizabeth, December is an 8 Personal Month in a 5 Personal Year and will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion.

This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love. You will be more attractive than usual to members of the opposite sex.

Richard, your Personal Month for December 2010 is 9

Richard, December is a 9 Personal Month in a 6 Personal Year and it is the second time this year that some letting go has to be done. A relationship is going

to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them.

You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself.

Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned.

If you are single, you may meet someone later this month.

If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

Your Personal Month's compatibility for December 2010 is 8 and 9

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Elizabeth, your Personal Month for January 2011 is 7

Elizabeth, January is a 7 Personal Month in a 6 Personal Year and brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet.

If you are involved in legal affairs or have wanted to take care of something that

involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally and you could be a little self-righteous. Try to be more flexible.

Richard, your Personal Month for January 2011 is 8

Richard, January is an 8 Personal Month in a 7 Personal Year and brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable.

Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

This month's emphasize is on long-term goals.

Friends and relatives feel that you are a little distant, and may get on your case in the hope that you will spend more time with them.

Romance is not particularly important. If you are involved with someone, feelings deepen and the bond becomes stronger.

Your Personal Month's compatibility for January 2011 is 7 and 8

Elizabeth, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles. Richard is out there, full of plans and visions, while Elizabeth is turning inward.

You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Elizabeth, your Personal Month for February 2011 is 8

Elizabeth, February is an 8 Personal Month in a 6 Personal Year and may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Richard, your Personal Month for February 2011 is 9

Richard, February is a 9 Personal Month in a 7 Personal Year. It brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships.

Richard, your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking.

It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

Your Personal Month's compatibility for February 2011 is 8 and 9

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Elizabeth, your Personal Month for March 2011 is 9

Elizabeth, March is a 9 Personal Month in a 6 Personal Year and is often emotional because you may have to let go of someone close to you.

You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Richard, your Personal Month for March 2011 is 1

Richard, March is a 1 Personal Month in a 7 Personal Year and, while you may

still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and imaginative. You feel that anything is possible and that the sky is the limit.

Against the background of self-reflection and soul-searching that's such a major part of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem get a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. Richard, you are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

Your Personal Month's compatibility for March 2011 is 9 and 1

Once every nine years, Richard and Elizabeth, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Elizabeth, exactly when Richard is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Richard, the most important piece of advice is to give Elizabeth plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Elizabeth is overly emotional. For Elizabeth, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Elizabeth, your Personal Month for April 2011 is 1

Elizabeth, April is a 1 Personal Month in a 6 Personal Year and brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life.

Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9 year cycle.

Richard, your Personal Month for April 2011 is 2

Richard, April is a 2 Personal Month in a 7 Personal year. Now the pendulum swings back from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive.

Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of. Your intuition is keen; rely on it, and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Richard, your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

Your Personal Month's compatibility for April 2011 is 1 and 2

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard

may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other.

Elizabeth will be the engine of change and progress, while Richard will steer and redirect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact that Richard is a bit more demanding than usual.

Elizabeth, your Personal Month for May 2011 is 2

Elizabeth, May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month and you will be called upon to use those abilities. You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other.

You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month. If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Richard, your Personal Month for May 2011 is 3

Richard, May is a 3 Personal Month in a 7 Personal Year and is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to the opposite sex than usual and may receive some interesting proposals.

Your Personal Month's compatibility for May 2011 is 2 and 3

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Elizabeth, your Personal Month for June 2011 is 3

Elizabeth, June is a 3 Personal Month in a 6 Personal Year and an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Richard, your Personal Month for June 2011 is 4

Richard, June is a 4 Personal Month in a 7 Personal Year. It may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment.

Your energy level is high and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details, and need you to reach out to them.

Your Personal Month's compatibility for June 2011 is 3 and 4

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy.

Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness.

Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Elizabeth, your Personal Month for July 2011 is 4

Elizabeth, July is a 4 Personal Month in a 6 Personal Year and it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed and commitments made.

Richard, your Personal Month for July 2011 is 5

Richard, July is a 5 Personal Month in a 7 Personal Year. It is a time of unexpected events. Be flexible, especially in thought.

Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur.

New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

Richard, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Your Personal Month's compatibility for July 2011 is 4 and 5

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard. As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next. A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Elizabeth, your Personal Month for August 2011 is 5

Elizabeth, August is a 5 Personal Month in a 6 Personal Year and brings some changes in work and your personal life. It is a dynamic time and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative

solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence.

Your Personal Month's compatibility for August 2011 is 5 and 6

Elizabeth is in a cycle of change and highly charged energy. Richard is in a cycle of stability and responsibility. Elizabeth's energy is restless and dynamic, Richard's energy is focused and grounded. Elizabeth is looking around for opportunity and adventure. Richard is looking at the home and the family. Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work, career, travel and so forth. These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have

realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.
